MEDICAL OUTREACH...

We had a team of four come last week from New Hope Church in Murrieta to do a medical outreach here in Himamaylan. They were a HUGE blessing as 'Kuya' Bayin and 'Ate' Lei along with Mark and Celester came to teach life saving First Aid techniques and disaster response planning. They shared in several of the local communities, to over 400 students at the national high school, and with students up in the mountain at San Antonio High school along with officials from the local barangay. The team also worked to relocate our radio tower to a new higher location. They mounted the antenna on top of a 60' mast we erected on the mountain about 250' above the city. The extra height should allow even more people to hear the radio - spreading the Good News of Jesus Christ!

CHURCH BAPTISM & PICNIC...

On Sunday after church we loaded everyone up (*about 130 of us*) into a sugar cane truck and headed out to the local beach. We shared some great food and after lunch had a short teaching on Baptism. We went to **Romans 6:4** for the real meaning of Baptism - the outward confession of the change that has taken place inside when you believe in Jesus! Buried with Him in Baptism (*dunked in the water*) raised up in newness of life - **II Corinthians 5:17**. Then in front of the whole group we went out in the water to baptize anyone who wanted to confess their faith in Jesus! This was our fourth church baptism. We have been blessed over the past three years to 'dunk' over 80 people. We were not sure if anyone else wanted to be baptized - but to our surprise we had about 30 people come out to be 'dipped'! What a blessing! Young and old alike came out to say

that they had given their lives to Jesus and they wanted everyone to see it!
