

OPEN DOORS

- when God opens up doors it seems as though EVERYTHING just falls perfectly into place!

Online @ 9am
Elisha Center @ 10am

People tend to have a lot of preconceived notions about what defines MISSIONS within the church. They tend to assume it involves going to a far away place - where people speak a different language - and eat strange food! But MISSIONS is not about any of those things. It is about a calling from God to go out and share the one thing EVERYONE needs - the hope of the Gospel of Jesus Christ. It does not matter if God SENDS us half way around the world - or if He SENDS us to our neighbor next door - we are ALL called to be missionaries.
