

WALK IN THE SPIRIT

We live in a day and age when we have a window to the worst things this world has to offer in the palm of our hands. A time when social media uses algorithms to entrap our children with the lure of mindless entertainment. The question is how can we empower our kids to resist the darkness and live boldly for

Jesus. The answer is they need to walk in the power of the Spirit who can give them the ability to stand! The way to walk in the Spirit is to think about what is true, just, pure, and praiseworthy [Philippians 4:8].

Pickle Ball

Simbahan sa Bukid hosted a Youth Camp from June 24-28. The theme was Sowing to the Spirit. The students had a lot of fun as they were taught how to play pickle ball, went hiking through rice fields, played foosball on a life size court, and went swimming in a jungle water falls. They even asked if next year we could do a camp for a full month!

But the highlight of the camp was not all the events, it was the opportunity to pour into the youth and encourage them in their walk with Jesus. We want to see these young warriors get equipped so they are prepared to go out into their schools and barangay not in their own power, but in the power of the Holy Spirit. Then when their family and friends see them, they will not be the typical youth with a cell phone glued to their hands, instead they will be boldly holding the Word of God because of the work the Spirit is doing in their heart!

NEW BIBLE STUDIES

We were blessed to visit a couple of families. The first family we visited in Australia we met on a Mission trip last year here in Philippines. Nick Soden has been going to Calvary Chapel Bible college online for the past few years with a desire to serve in ministry. We have been encouraging him to start a Bible study to see what God might do.

The second family was Jen's brother Donny Miguel in New Zealand. We did a Bible study at their house and had several Filipino families attend. They loved it! They are talking about starting up a weekly rotating teaching through the Word!

The Apostle Paul spent three years in Ephesus planting the church there but only three weeks in Thessalonica. I was always curious how he managed to establish a church in such a short time frame. This trip gave me some insight. Sometimes the Lord has men ready to go and all they need is a little encouragement.

Please be praying for Nick and Donny as they continue to step out in Faith to see how the Lord might use them to reach out in their communities with the Love of Jesus!

UPCOMING EVENTS

"Whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy –meditate on these things!" - Philippians 4:8

Sunday: Book of Matthew - @8:30am and 10:30am in the main Sanctuary. We pick up our weekly study through the New Testament in Matthew 14 on Sunday as we come to the death of John the Baptist. John was killed by Herod Antipas [son of Herod the Great] because John was unwilling to compromise, he had to confront the king about his sin!

Wednesday: Midweek Study - @6pm in the main Sanctuary. On the first Wednesday of every month we give men from the church the opportunity to bless us with what the Lord has been putting on their hearts. It allows them to step out in faith by having the chance to share the Word and encourage the church family!

Come out as Ricky Ledesma will have an extended time of worship singing classic praise songs, and Eric Sajo will share a special message!

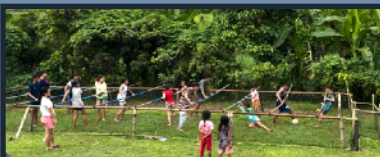

Friday Bible Study - When we think of what is necessary for our Christian walk, we often talk about the Word and prayer, but a key aspect of being strong in the Lord is fellowship. When we gather together we get to encourage each other and challenge one another in our Faith. Make sure to come out on Fridays for the Men's, Women's, and Youth bible studies. It is a great time to build friendships that will strengthen our walk!
