CHURCH ANNIVERSARY

It is hard to believe we are moving into our fifth year here at the church. The past twelve months have been by far the busiest we have had yet. Whether it was a Couples Dinner, a Sunrise Service, a Women's Retreat, or a Church Baptism, it seemed every month there were opportunities to reach out and minister to one another [make sure to check out the year end video]!

Yet for all those events the one constant has always the teaching of the Word. Every Sunday and Wednesday we come together to grow by studying the Bible. The reason is because the most important thing in life is getting to know our God. Which is why we gather together and simply go through the Bible verse by verse and chapter by chapter as we grow in the Grace and Knowledge of our Lord [2 Peter 3:18].

As we move into the next year leaning about Jesus together we are excited to see how the Lord will continue to build us up as we step out into new ministries, reaching new people and blossoming in our faith in Him!

FAMILY OF GOD

Families come in all shapes and sizes. Some of us might have come from a large family while others might have grown up as an only child. Yet no matter who our family is, when we put our faith in Jesus, we became a part of the family of God. What that means is we all have a loving father who is watching over us, and countless brothers and sister who are there to help us. No matter what we might be going through it is a blessing to know, we are not alone, we have the best family in the world standing with us!

CHURCH NEWS

"Whoever receives one little child like this in My name receives Me."

- Matthew 18:5

Two Services - Just a reminder we have two full services every week at 8:30 and 10:30am. Although it is early, the first service does have an added perk. We open it up to questions after the service. If you happen to wake up early one Sunday give it a try!

Sunday: Book of Matthew - We pick up our weekly study through the New Testament in Matthew 26 on Sunday. As we look come to the betrayal of Jesus, we see Peter take a sword to defend the Lord. Jesus tells him that if He wanted He could call down twelve legions of angels. That sounds impressive, but with a little Sunday morning math, we are going to see that it is profound. Jesus was stating emphatically He was not being arrested, He was choosing to go to the cross, because there was no other way for us to be saved!

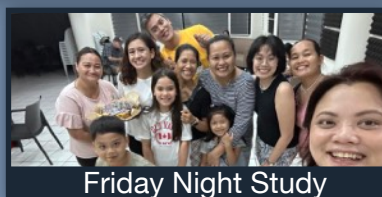

Wednesday: Midweek Study - @6pm in the main Sanctuary. Come out as we continue our study in book of Ecclesiastes. Written by Solomon, who tried everything seeking to find the meaning of life. His conclusion? Everyone under the sun [on earth] was just grasping for the wind. There is no meaning apart from God!

Make sure to come out and get connected.
